Kothrud, is the western suburb of the city of Pune, Strategically located on Karve Road & Paud Road, the reason why Kothrud became on of the most coveted residential areas in the city are due to its convenient location on two important roads of the city, 3 side hills, excellent connectivity & great leaps taken in infrastructural developments.

Kothrud, is Situated relatively near the center of city & easy access to industrial zone & Hinjewadi IT park, it has seen repid growth in housing, making it one of the fastest developing suburbs in Asia in the 1980s. Kothrud is now one of the upmarket areas of pune. Kothrud is known for culture, Old landmarks in Kothrud include the Dashabhujia temple & the Mrityunjaya temple, Vandevi & Jaibhavni Temple with history dating back to the Peshwa times. Kothrud is where Maharshi Karve started Education Institutes. Kothrud is well Known as a prime residential locality, Kothrud is also quite popular for its educational institutions. Good schools & reputed colleges like Cummins Engineering College, MIT, Garware Collage & Bhartiya Vidyapeeth among others are located in the vicinity of this locality, drawing students from all over India, from other countries of the Indian subcontinent, other Asian countries. The presence of the large residential development is an integral part of the economy & culture. In addition to this, Kothrud offers superb basic amenities like good water & power supply & good social infrastructure facilities that are required for everyday living. A number of restaurants, banks & ATMs, shopping complexes, markets, retail brand stores, etc. Cater to the requirements of its dwellers.
